

MOBILE WEBSITE DESIGN

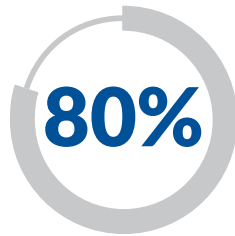

Customers should be able to find you from anywhere.

Today, more local customers are searching for your business with their smartphones. Are you losing customers who are searching for your business while they're on the go? Give customers anywhere access to your website while generating more business for you.

40% of consumers will go to a competitor's site after a bad mobile experience.

COMPUWARE, 2012

80% of mobile searches triggered store visits within 5 hours of the initial search.

GOOGLE MOBILE PLAYBOOK, 2013

57% of customers would not recommend a business with a bad mobile site.
